Missionary of the Week:

Chris Mills is the lead pastor and planter for One Community Church in Hell's Kitchen, New York City, New York. "Please pray for our community group as it relaunches after the holidays. We have now been having services for one year! Please continue to pray for us as we enter into our second year as a church. We are hoping to start an English as a Second Language (ESL) program as New York City has had an influx of asylum seekers. We are praying through the best way to serve them. Please pray with us as we host an ESL training and more classes in the future."

Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us. And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him.

1 John 5:14-15
